Type of data produced: (Please check the corresponding box)

QUAST-funded authors were not directly involved in creating or storing data.

Work is purely analytic. Figures are visualizations of analytic expressions given in the paper.

For original data, please refer to the cited publications.

All data and code shown in the paper are available in [provide link]

Data is available on reasonable request [fill out the missing information below]

Other [please provide an alternative description below]

Dataset 1: (Collection of data published/archived together)

Short description of data:

Origin of data (institution):

(3rd party) Software used:

additional information included as README with data

Data availability:

published at (DOI)

on reasonable request, to corresponding author. Data is archived:

according to local policy at institution (as provided).

other (Please provide details: location, accessible by, ...)

data included in publication or as supplemental online material at the publishers website

Source availability: (own software or scripts, used to generate/process data)

published at (link)

archived/published with data

archived according to local policy at institution (as provided)

other (Please provide details: location, accessible by, ...)

Dataset 2: (Collection of data published/archived together)

Short description of data:

Origin of data (institution):

(3rd party) Software used:

additional information included as README with data

Data availability:

published at (DOI)

on reasonable request, to corresponding author. Data is archived:

according to local policy at institution (as provided).

other (Please provide details: location, accessible by, ...)

data included in publication or as supplemental online material at the publishers website

Source availability: (own software or scripts, used to generate/process data)

published at (link)

archived/published with data

archived according to local policy at institution (as provided)

other (Please provide details: location, accessible by, ...)
